

A circular, gold-colored decorative pattern is centered on a white, textured background. The pattern consists of multiple layers of overlapping, semi-circular arches that create a sense of depth and movement, resembling a stylized sunburst or a series of waves. The arches are arranged in a way that they appear to radiate from the center, with each layer slightly offset from the one below it. The overall effect is a shimmering, intricate design.

WELLNESS HOME

Having the power to move and the power to stop, we choose to be conscious. We believe in passion, we feel compassion, we pamper ourselves, we respect everyone

A Center where all people may share the same philosophy of life, or irt with the possibility to make a change, turn the wheel of life, restart, reconsider.
A space to embrace Koukoumi holistic wellbeing experience.
